Policies & Pricing

For items not listed below, call or email for availability and pricing.

All equipment is taxed at 7%. A labor fee will be applied to all tent installations (call for quote).

Delivery fee applies to all orders below \$1000. Equipment is limited on the Island so delivery fee may apply if items need to be shipped in from the mainland. We require a signed service agreement, damage waiver and deposit to reserve equipment.

Customer is responsible for the payment of permit fees if needed.

Pro Tips for Planning Your Event

1. Know thyself. Be aware of your priorities and budget for them. For example, would you like to invest in an outdoor lounge for the cocktail hour or fabric draping inside the tent?
- 2 Book early. Once you know what you want, go ahead and book it. If you would like our popular items such as special lighting and décor, make sure you reserve them ahead of time as bringing things from the mainland can get expensive.
3. Work with vendors who know the Island well, and have a proven track record of success.
4. Plan for contingencies so that your event is successful, no matter what.
5. Attend the annual Block Island Wedding Show at The Sullivan House to meet your vendors face to face.

Frequently Asked Questions

At the beginning stages of planning your event, you might find that a lot of your questions get answered with, "Well, that depends." Ugh! So we compiled a list of questions - and answers - to guide you. But the truth is - some aspects of your event really DO depend on variables (ie, are you having a DJ or a band, a buffet or a sit down dinner, an onsite or off-site wedding ceremony). But here is some info that we hope you will find helpful as a starting point. And of course, feel free to ask us as you go along.

1. How big a tent do I need?

The size of your tent depends on the size of your party, but also on whether you are having a stage, dance floor, bar/lounge, sit down or buffet dinner. But here's a guideline for the minimum size with a seated service and DJ.

Party up to 50 guests: 1 pole century tent.

Party up to 100 guests: 2 pole century tent.

Party up to 150 guests: 3 pole century tent.

Party up to 200 guests: 4 pole century tent.

Party up to 250 guests: 5 pole century tent.

Please note that it is always a good idea to have a bit of extra space in your tent. If the weather is adverse, you can have your cocktail hour inside. If you don't need the extra space on the day, you can always use it for a bar/lounge. Also, your caterer might need a cooks' tent, which is generally a 20 x 30 ft frame tent (depends on caterer and size of your event).

2. I am having an event at a private home. How do I know what tent is suitable and where it can go?

Block Island Party Rentals has worked at most of the Island venues over the years – and may be familiar with your venue. If not, we will do a site visit. Once you have a quote, a member of our team will arrange a site visit with you. We will measure the area and site the tent.

3. How big should my dance floor and stage be?

Speak to our team about suitable dance floor size. This can depend on the overall style of your event. But generally, 20 x 20 ft is the recommended minimum for a dance floor.

Consult your entertainer about the size of stage they require. Staging comes in 4 by 8 ft sections.

4. How many tables do I need?

We recommend 8 guests per table for their comfort. For specialized seating, speak to our team.

Your caterer may also need tables for service.

5. Do you supply equipment for caterers?

Yes, we are a one stop shop for your equipment rental needs. We have an on-Island supply of convection ovens, grills, hot boxes, lobster boilers, refrigerators, generators...everything your caterer might need.

6. How do I book?

Contact info@BlockIslandPartyRentals.com. Let us know about your event – where it is, when it is, what is it, and any specifics that will help us give you an accurate quote. From there, we will send you a contact. We require a signed contract and deposit to reserve equipment. Please contact us with any questions.
